CERVICALSCREENING.ORG.AU/LGBTIQ

ATTENTION:

Everyone with a cervix

Safe and inclusive Cervical Screening Tests are available for everyone with a cervix.

All LGBTIQ people with a cervix between the ages of 25 and 74, need cervical screening every 5 years to reduce their risk of cervical cancer, no matter who they have had as a sexual partner.

Speak to your GP to find out what options are available for you.

Who	People with a cervix Age 25–74
When	Every 5 years
How	Call your GP or health professional
