

Your bowel cancer home screening test

**You've got
nothing
to lose by
doing it.
Everything
to lose if
you don't.**

Bowel cancer kills 80
Australians every week.
If found early, 90% can
be successfully treated.
**Put your mind at rest.
Do the test.**

Aged 50-74? Talk to your doctor or
call Cancer Council Victoria on **13 11 20**
